Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD, WINE

The reputation this exrellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous discase, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were ag-gravated by the scrofu-

they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need-to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal discases, without exciting a suspicion of its presence. Again. without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLLA: St. Anthony's Fire, Ross or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia. Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhon or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despontations in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and

Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.

SPECIAL NOTICE

TO FARMERS AND ALL PERSONS OWNING HORSES, CATTLE, SHEEP & HOGS! In the spring of the year when a Horse is about sheding his coat nothing will do him

better service than a teaspoonful of YOUATT'S CONDITION POWDER, every morning, well mixed with his feed.

COUNS.

In milking cows the subscriber feels confident that Youarr's Powner, as he now prepares it, will astonish all who use it, and convince the most incredulous to say that by feeding a cow one teaspoonful of Youarr's Powder once a day will so much increase the quantity and quality of the milk as to yield one pound of Butter per week more is promising much, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite. HOGS and SHEEP will be greatly bene-

fitted by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with Youarr's Powder - he gave half of the number the Powder, and they recovered in a short time, the rest died.

The genuine YOUATT'S VEGETATIVE CONDITION POWDER is prepared from Youatt's original Recipe at Hollinshead's Drug Store. All other is a counterfeit.

Try it and be Convinced. W. HOLLINSHEAD,
